Since the Navarre Beach community is part of the Gulf Islands National Seashore, the miles of undeveloped beaches create an ideal family vacation paradise.

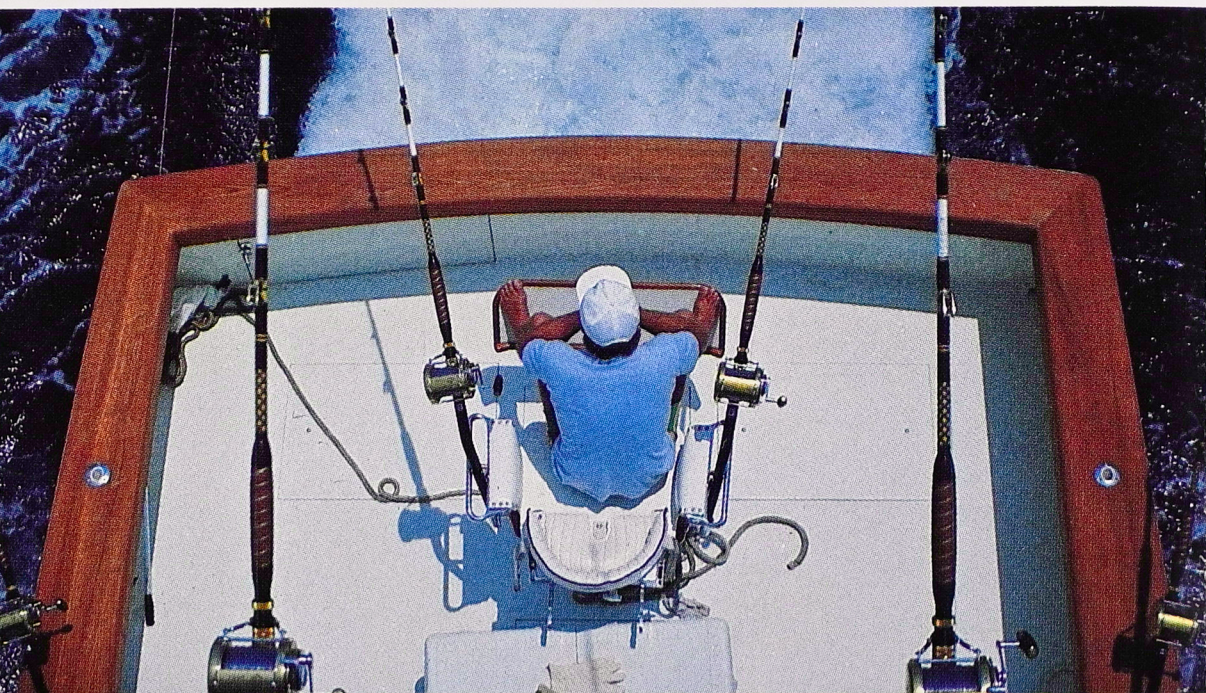

Navarre Beach is a small, relaxed niche without the traffic and congestion common to most resort areas. Pensacola and Fort Walton Beach are both within a twenty minute drive. Plan a jaunt to see interesting museums, historical sites or the great marine shows at the Gulfarium. Don't forget a visit to the nearby and very popular Zoo and Botanical Gardens. And to make your vacation complete, golf and tennis facilities are nearby for your pleasure.

This is Navarre Beach. Serene. Relaxed. Beautiful. Come and enjoy the splendor.

Your choice of accommodations can range from luxury condominiums and resort hotels to the great outdoors at one of Navarre Beach's splendid camping grounds. Privately owned beach houses are also available for those special vacations.

An abundant array of fresh Florida seafood and steaks awaits the most discriminating of tastes at Navarre Beach's restaurants and eateries.
